## Rebecca Winslow Spirit Award

**Dear Varsity Head Coach,**

Rebecca Winslow, a Dayton Christian Women's Soccer player, was killed in a car accident on October 5, 2007. After that tragic event, an award was established in her name and memory. This award is presented every year to a senior student-athlete.

The information in this packet will explain the goal, criteria, award process, award selection, and the presentation at the senior awards banquet in May. This award is unique because **every varsity head coach will nominate one of their senior student-athletes for consideration of this award.**

A nomination form has been provided. **Please complete the form and turn into our Athletic Director by April 24.** The selection committee will select the award recipient, based on the criteria, and the award will be presented at the senior awards banquet in May.

\*\*The criteria also includes community, school and church involvement. Team and student-athletes that do mission work in these areas should include that on the nomination.

### The Rebecca Winslow Spirit Award

**Criteria:** The senior athlete will be coach nominated based on demonstrated principles of sportsmanship, positive attitude, academic integrity, Christ-like character, local church service, and community involvement.

**Award Process:** Every varsity head coach will nominate one senior student-athlete who possesses these characteristics listed in the criteria category above. **Nominations must be submitted to the Athletic Director by April 24.**

**Award Selection:** The nominations will be reviewed by a selection committee. The committee will select one recipient.

**Award Presentation:** The recipient will receive a \$500 award during the senior awards ceremony in May. The recipient's name and year will be added to a wood plaque that will be displayed in the Warrior Center. The award will be presented by the Winslow Family, the Athletic Director, a representative of the Athletic Booster Club, and/or by the recipient's head coach.
